- Contemporary and simple style
- Organic shape
- White opal mouth blown glass and matte metal

Notti is a great example of form, materials and details that comes together in the most beautiful way. The organic and harmonic shape contributes to a complete and aesthetic expression, which certainly will do well in any interior design.

The organic shape result in a lovely table lamp with an elegant design. The masculine base in matte metal is a nice contrast to the feminine white opal glass dome, which contributes to visual volume and a soft glare free light.
