- Art deco style • Design your own luminaire with a decorative bulb
- Beautiful brass details

Brass is a popular interior trend and is an attractive contrast to the bright Nordic décor. Brass is incorporated into the design of the beautiful Galloway series, where the details beautifully break the stylish and simple lines of the metal surface.

Add a decorative bulb to the fine Galloway socket with grooved surface and elegant brass details - it results in a beautiful pendant, both turned on and off. Delivered excl. light source.
