Cuba is an LED lamp of minimalistic design and high functionality as it is ideal for placement on both ceiling and wall. The round lamp emits a beautiful and functional light, and even has a high degree of protection, IP54, which makes it ideal for outdoor use. As Cuba is suitable for humid areas, it can further be mounted in the bathroom or basement.

Cuba Energy emits a soft and warm light that will provide the room with a cosy feeling. Whereas the opal white colour of the lamp makes it suitable for every type of interior design.
