Candela (cd) (for directional lamp only): 750  
Energy Class: F  
Actual Watt (W): 6.1

- 3-step Moodmaker™ dimming by your regular wall switch • Suitable for humid areas (IP44)
- Flexible cut-out size from 73 mm to 83 mm (adaptor)
- Easy installation • Parallel connection possible (up to 15 pcs.)

Alec is a series of round, glare-free downlights with three-step Moodmaker™ dimmer on the regular wall switch. The dimmer function gives you three different options of setting the right light: the main light on 100%, the main light on 50% or only the light ring which works perfectly as a night light. The built-in memory function remembers your last setting. This downlight is suitable for bathrooms or other humid areas (IP44).
