- Satin soft, matt surface
- Magnet for easy adjustment of the shade
- USB port for charging your phone or other device

Angle wall light by Danish designer Maria Berntsen is a modern and timeless design that fits perfectly as a bedside light or above the bathroom mirror. The lamp is carried out in a playful and interactive design with a magnetically attached shade that can easily be adjusted to fit your needs. Turn, tilt or move the shade for a directional or indirect light. A USB charging port on the side conveniently lets you charge your phone or other device.
