- Timeless design • Build-in parallel connection
- Durable material that is well-suited for harsh weather • 15 year warranty on extensive corrosion

Scorpius Wall light for outdoor use has a classic and timeless design. Scorpius has many uses – the perfect fit at the front door, at the entrance, on the fence, or in the stairwell. It can be used alone or with several placed side by side.

The galvanised finish makes the light fixture resistant to the Nordic climate. We recommend light fixtures in galvanised steel for coastal areas.
