- Build-in parallel connection • Can be mounted on Nordlux base unit
- Durable material that is well-suited for harsh weather • 15 year warranty on extensive corrosion

A classic light fixture from Nordlux, suitable for mounting in the driveway, at the entrance, on the terrace, or on the patio. An elegant garden light, whose simple and classic design makes it very useful. The light can be placed next to the mailbox or along walkways.

The galvanised finish makes the light fixture resistant to the Nordic climate. We recommend light fixtures in galvanised steel for coastal areas. It is possible to purchase a base for pillar lighting appropriate for this product.
