- Contemporary and simple style
- Tilting and turnable shade
- Can be used on both wall and ceiling

In all its simplicity, The Eik series is still extremely decorative. The shape of the shade creates a pleasant illuminating surface for a comfortable and beautiful glow. An obvious ease arises between the shade and the frame, and the adjustable shade on the table lamp results in a flexible design.

Discreet and practical spotlight fixture with a single spotlight in white. This spotlight can be placed in different locations in the home and create focus or cosiness depending on how it is placed.
