- Build-in parallel connection • Can be mounted on Nordlux base unit
- Durable material that is well-suited for harsh weather • 15 year warranty on extensive corrosion

Elegant garden light from Nordlux, whose simple and classic design makes it very useful. The light can be placed next to your mailbox, along the walkways, in the garden, or around the terrace.

The galvanized finish makes the light fixture resistant to the Nordic climate. We recommend light fixtures in galvanized steel for coastal areas. It is possible to purchase a base for pillar lighting appropriate for this product.
