- Modern classic • Slim and timeless design • Dimmable
- Soft and diffused light • 5 year LED guarantee

With its contemporary design and simple shape, the award-winning Artist is a beautiful candidate for a future classic. The build-in LED panel is covered with an opalized shade that softens and diffuses the light. As the name suggests, the design is inspired from the world of music – by a drum kit cymbal. Design by Bønnelycke MDD.
