

MODEL: Beacon Square 1 Light Small Wall Lantern

Inspired by classic craftsman architecture, the Beacon Square outdoor collection features clean lines, creating a transitional and versatile style. Crafted from a composite material, each fixture is designed to withstand harsh outdoor elements, like saltwater spray and UV rays, with a beautiful and long-lasting Olde Bronze finish. The clear, hammered glass simulates the look of water, enhancing the overall style, while still letting the light shine through. IP44 rated.
