

Floor Lamp

INSTRUCTION MANUAL

Safety Warnings

- Some parts are heavy, beware trapping fingers or dropping these parts during assembly and use.
 - Do not plug into the mains until your lamp is fully assembled.
 - Under no circumstances must this floor lamp be covered with any material as this could pose a safety hazard. It must be used on a stable, flat surface.
 - This product is not suitable for persons under 14 years of age.
 - This product is only suitable for connection to 220-240V~50Hz supply, indoor use only and is *not* suitable for a Bathroom location.
 - The Floor Lamp must be protected by a 3 amp fuse in the mains plug.
 - This is a Class I, Earthed fitting - If the mains plug requires replacing use a plug approved to BS1363 and wire it up according to the diagram below; Class I (Earthed).
 - If the mains cable becomes damaged it must only be replaced by a technically competent, qualified person.
 - Bulbs become hot during use so please switch off and allow 10 minutes to cool before replacing bulbs or cleaning the fitting.
 - Clean with a dry cloth only. Do not use liquid or abrasive cleaners on this product.
 - This product is supplied without a shade but before use a suitable shade must be fitted. This should not be of a size / shape that will impair the stability of the fully assembled product.
- If any modification is made it will invalidate the warranty and may render the product unsafe.

Before you start

Please read these instructions carefully before fitting your new light and retain for reference.

Follow each assembly step in order to prevent incorrect assembly.

Make sure all threads etc are fully tightened before use.

This pack contains: Floor lamp with switched lamp holder.

Assembly/ User Instructions

Carefully unpack your floor lamp and familiarise yourself with the component parts.

1. Screw the two stem sections together taking care that the cable does not become twisted.
2. Loosen the grub screw (1) in the cord grip and pull any excess cable through the base. Fit the felt mat to the base.
3. Fit the shade carrier (2).
4. Place the shade (3) on top of the shade carrier and lock into place using the decorative finial (4).
5. Install the bulb. NOTE: **Never fit bulbs of a higher wattage than that specified on the label (as this may cause overheating and damage the fitting).**
6. Once you are satisfied that the Floor lamp is assembled correctly, plug in and operate with the switch on the lamp holder.

Plug wiring diagram.
This is a Class I, earthed product
