### Assembly Instructions for Oksana Pendant Lights

Please read the instructions carefully before starting work and retain for future reference.

Always turn off the mains supply at the consumer unit, shut off the circuit breaker, or remove the circuit fuse before commencing installation.

This fixture should only be installed by a qualified electrician.

This fixture is suitable for indoor, non-bathroom, use only.

This diagram is representative - your product may have 3, 5 or 12 lampholders - but the steps to assemble remain the same.

#### Installation:

1. Screw fixture loop (M) to screw thread (N).
2. Weave the cable through the chain links (K). Open the bottom carabiner link (L), connect it to fixture loop (M) and close tightly. Open the top carabiner link (J), connect it to loop (I) of the ceiling cup (F) and close tightly.
3. Install crystal drop (T) onto leaves (S).
4. Use the mounting bracket (D) to mark screw holes, and affix to the ceiling (A) using appropriate fixings (B&E).
5. Connect the house supply to the terminal block (C), according to the wiring diagram in Fig. 2, ensuring that the terminal screws are tightened securely and that there are no stray wires. If there is more than one supply cable present, seek professional advice.
6. Raise the canopy (F) to the mounting bracket (D), and then secure the canopy (F) with the lock washers (H) and screws (G).
7. If using shades (P) (not supplied), place short candle drip (R) over the lampholder (Q), followed by the shade and secure in place using the shade ring (O). Otherwise use the longer candle drip (R1)
8. Install light bulbs (not supplied). **Do not exceed the maximum wattage recommended on the lampholder.**
